MEMORANDUM FOR THE RECORD

Morning Meeting of 1 May 1968

DD/I reported that General Wheeler has requested a briefing on CIA's position concerning strength figures in Vietnam. The Director indicated that he will handle the briefing himself.

Godfrey reported that yesterday there were two incidents in the Korean DMZ and one in Seoul.

Godfrey drew attention to a battalion-sized NVA attack on an ARVN division just north of Saigon.

Godfrey noted that the first press reports on the Moscow May Day parade suggest no significant surprises.

D/ONE indicated no need for a pre-USIB meeting this week.

DD/S called attention to employee dissatisfaction, particularly at Rosslyn, concerning payment for parking privileges and indicated that he will be forwarding a recommendation on this matter forthwith.

Maury reminded of the briefing of the House Special Subcommittee on National Defense Posture today at 1330, noted the successful break-fast with Senator Miller yesterday, and advised that Congressman Riegle was briefed yesterday on Soviet arms in the Middle East.

Bross reported that General Maxwell Taylor has requested a briefing next Tuesday on Algeria, Greece, and Brazil.
